

Connor Earl Photography COVID-19 Update

UPDATE – APRIL 3, 2021: Simcoe-Muskoka, as well as the province of Ontario, under the Government of Ontario COVID-19 Framework, has moved into the ‘**GREY/LOCKDOWN**’ control zone for the next 28 days. Under the new regulations, commercial photography is **NOT** permitted. As a result of this, Connor Earl Photography will not be providing any in-person or on-site photo shoots and/or video production at this time.

As a result of these new measures, all graduation photoshoots have been canceled for May. All clients who have booked sessions will be contacted in the coming days on options for re-shoots or refunds.

Connor Earl Photography remains open for business; however, we will only be providing orders on photographs seen on the website. Any questions, comments, and/or concerns, please contact me through my website.

We will continue to re-assess the situation alongside Government protocols and local health guidelines and provide updates here.

Note: Connor Earl Photography is located in the Simcoe-Muskoka region of the province of Ontario and will be following local and provincial guidelines
