

Connor Earl Photography COVID-19 Update

UPDATE - MARCH 16, 2021: Simcoe-Muskoka, under the Government of Ontario COVID-19 Framework, continues to be under the '**RED**' control zone. Under the new regulations, photography and commercial photography are permitted. Connor Earl Photography will now be able to do limited on-site photography and photoshoots as well as video production with limited filming on-site if needed.

Due to the continuing rise in COVID-19 cases, which include the virus variants, all studio photography and videography sessions will be stopped until further notice. On-site photography or videography will continue to happen under strict COVID-19 safety guidelines.

Connor Earl Photography has implemented strict COVID-19 safety protocols to help keep staff and clients safe during said appointments and/or photoshoot sessions. These measures can be found on the '[CONNOR EARL PHOTOGRAPHY - COVID-19 RESPONSE](#)' page.

We will continue to re-assess the situation alongside Government protocols and local health guidelines and provide updates here.

Note: Connor Earl Photography is located in the Simcoe-Muskoka region of the province of Ontario and will be following local and provincial guidelines.
